EQUAL OPPORTUNITY CELL

March 27, 2009

The Principal

Dear Madam/Sir:

The Equal Opportunity Cell, University of Delhi, has arranged for a weekly session in psychological counselling for students with physical disabilities and those under SC, ST and OBC categories, at the DU-NTPC Resource Centre. Prof. Ashum Gupta of the Department of Psychology has kindly offered to give some of her own time for the purpose. Prof. Gupta may be able to meet the students every Thursday between 3 pm and 4 pm.

This information may be widely displayed on the notice boards of your College and the Coordinators of the College unit of the EOC may also be asked to ensure that the information is received by all the students.

The students, who would like to avail of this help should, preferably, inform the EOC in advance so that an appointment may be fixed for them on the specific day.

Thank you.

R K Agnihotri
